Office of the Legislative Counsel

Wednesday - 22 February 61

Mr. Warner sat through hearings of the House Rules Committee for the purpose of hearing views on H. Con. Res. 3 and 9 to establish a Joint Committee on Foreign Intelligence. However, the Committee adjourned for lunch and Judge Smith advised that the resolutions would not be taken up today. It is of interest that Representatives Edna Kelly, Clement Zablocki, Marguerite Church, and Melvin Laird were there and apparently for the purpose of speaking to these resolutions.

Talked with Robert Smart about the Rules Committee hearings and he indicated that Katharine St. George who has just been placed on the Committee at the cost of her seat on the Armed Services Committee will fight the resolutions moving out of Committee. Also, Arends through Halleck has been working with the Republican members of Rules Committee and it is to be hoped that the matter will not be reported out of Committee.
